

Great Horwood Village Survey : October 2011

Section 7: **HIGH STREET** and The Cottage, Singleborough Lane

(Sequential numbers south side, none north side)

The Village Hall

HOUSE NO/NAME:	The Village Hall
STREET:	Thigh Street
BUILDING USE:	Village hall
CONVERTED FROM EARLIER USE?	No, though probably an earlier building on the site
PERIOD:	Early C20
PLANFORM:	Open hall
STYLE:	Modern with vernacular influences
BUILDING/CLADDING MATERIALS:	Red brick with fake timbering and rendered panels
ROOFING MATERIALS:	Machine-made clay tiles
ROOF FORM:	Gable-ended
OTHER FEATURES/INFORMATION:	C20 multi-light windows, door with four glazed panels and elongated hood, village noticeboard
CONDITION:	Good
NOTES:	

Great Horwood Service Station

HOUSE NO/NAME:	Great Horwood Service Station
STREET:	High Street
BUILDING USE:	Vehicle maintenance
CONVERTED FROM EARLIER USE?	May be the site of an earlier farm
PERIOD:	C20
PLANFORM:	A collection of various workshop and storage buildings
STYLE:	Modern
BUILDING/CLADDING MATERIALS:	Rudimentary timber frame, with various claddings
ROOFING MATERIALS:	Corrugated iron and other materials
ROOF FORM:	Flat
OTHER FEATURES/INFORMATION:	Large parking area
CONDITION:	Moderate
NOTES:	

The Parish Church of St James

HOUSE NO/NAME:	Parish Church of St James
STREET:	High Street
BUILDING USE:	Religious
CONVERTED FROM EARLIER USE?	No
PERIOD:	C14 and C15, much restored in C19
PLANFORM:	*** The parish church was not surveyed, but has been included here only for completeness. For the church's architectural details, see other sources ***
STYLE:	
BUILDING/CLADDING MATERIALS:	
ROOFING MATERIALS:	
ROOF FORM:	
OTHER FEATURES/INFORMATION:	
CONDITION:	
NOTES:	Listed Grade 2*

2 High Street

HOUSE NO/NAME:	2
STREET:	High Street
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	1850-1900
PLANFORM:	Two bays of two storeys. Forms a varied terrace with adjoining houses
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Painted brick in Flemish Bond
ROOFING MATERIALS:	Slate
ROOF FORM:	Gable-ended, with single chimney to east end.
OTHER FEATURES/INFORMATION:	Four-eight-paned sash windows arranged symmetrically around central entrance door
CONDITION:	Good
NOTES:	

The Cottage, 3 High Street

HOUSE NO/NAME:	The Cottage, 3
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	Late C18
PLANFORM:	Original two bays of two storeys, gabled with end chimneys, with an extra bay of two storeys added to the east with end chimney. C20 garage to east. Forms a varied terrace with adjoining houses.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Painted brick, with moulded brick eaves
ROOFING MATERIALS:	Old plain clay tiles
ROOF FORM:	Gable-ended, with two end chimneys and one intermediate
OTHER FEATURES/INFORMATION:	Four 3-light leaded casement windows on original building, arranged symmetrically around central doorway. Six-panel door with plain doorcase and narrow hood on brackets. Two 3-light casement window on east addition.
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1289126).

4 High Street

HOUSE NO/NAME:	4
STREET:	High Street
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	Early C19
PLANFORM:	Original two bays of two storeys, gabled with end chimneys, with an extra 1.5 bays of two storeys added to the east end with end chimney. Attached to number 3 on the west, open to east.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Painted brick in Flemish Bond with dentilled eaves
ROOFING MATERIALS:	Natural slate, steeply pitched
ROOF FORM:	Gable-ended with two end chimneys, one mid and one at rear.
OTHER FEATURES/INFORMATION:	Casement windows, with small canted bay to west. Four-panelled door, plain doorcase with narrow hood.
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1289091) .

Mary's, 5 High Street

HOUSE NO/NAME:	Mary's, 5
STREET:	High Street
BUILDING USE:	Shop (closed at time of survey) and residential
CONVERTED FROM EARLIER USE?	Formerly site of a forge, then ironmonger's shop, then greengrocer
PERIOD:	Late C19
PLANFORM:	Two bays of two storeys, asymmetrical with entrance door offset and integral garage to west. Flat-roof extension to rear. Attached to number 6 on east, open to west.
STYLE:	Victorian
BUILDING/CLADDING MATERIALS:	Wooden boarding to ground floor with red brick above
ROOFING MATERIALS:	Slate, low-pitched
ROOF FORM:	Gable-ended, with end chimney to east (maybe shared with 6)
OTHER FEATURES/INFORMATION:	Three large sash windows to first floor; ground floor from east: small square multi-paned basy window, glazed panelled entrance door, square plat-0glass shop window, garage door. Small round window in gable end.
CONDITION:	Good
NOTES:	

6 High Street

HOUSE NO/NAME:	6
STREET:	High Street
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	Possibly C18 or C19, refronted in the 1960s
PLANFORM:	Two bays of two storeys, end chimney to east; gablet at ridge indicates rear cross-wing. Forms varied terrace with adjoining houses.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Painted brick with fake timbering
ROOFING MATERIALS:	Artificial slate, steep-pitched
ROOF FORM:	Gable-ended with end chimney to east.
OTHER FEATURES/INFORMATION:	Casement windows with leaded lights
CONDITION:	Good
NOTES:	

7 High Street

HOUSE NO/NAME:	7
STREET:	High Stree
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Formerly a greengrocer's shop
PERIOD:	Late C18 or early C19
PLANFORM:	Two bays of two storeys wit central entrance door. Attached to number 6 to west, open alleyway to east
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Yellow brick
ROOFING MATERIALS:	Slate, low-pitched
ROOF FORM:	Gable-ended, with two end chimneys off-set from ridge
OTHER FEATURES/INFORMATION:	Wooden multi-paned sash windows, wooden door hood on metal brackets
CONDITION:	Good
NOTES:	Mature Virginia Creeper

8 High Street

HOUSE NO/NAME:	8
STREET:	High Street
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Probably a former farmhouse
PERIOD:	Late C18 (probably after 1781 fire), with C20 extension
PLANFORM:	Original 2 bays of 2 storeys, with extra bay to south and further C20 bay of two storeys at right angle. Detached, with yard to east and alleyway to west.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Mixed red and blue bricks, but with rubblestone to ground floor of north gable end.
ROOFING MATERIALS:	Slate, steeply pitched
ROOF FORM:	Gable-ended, with chimney to north gable and one intermediate
OTHER FEATURES/INFORMATION:	C20 replacement casement windows
CONDITION:	Good
NOTES:	A brick outbuilding with slate roof and single chimney stack was formerly a workshop and/or stable

10 High Street

HOUSE NO/NAME:	10
STREET:	High Street
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Formerly three cottages
PERIOD:	Late C18
PLANFORM:	Three bays of two storeys. Bricked-up doorways indicate former divisions. Rear extension. Porch to west with sloping plain-tile roof.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Red brick with first-floor string courses and dentilled eaves
ROOFING MATERIALS:	Slate, steeply pitched, to front elevation; plain clay tiles elsewhere
ROOF FORM:	Hipped, with twin chimney stacks on ridge and external stack to west end
OTHER FEATURES/INFORMATION:	Casement windows with small canted bay window to west corner
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1289092)

The Old Dairy, 11 High Street

HOUSE NO/NAME:	The Old Dairy, 11
STREET:	High Street
BUILDING USE:	Residential or office?
CONVERTED FROM EARLIER USE?	Former dairy
PERIOD:	C19, altered and added to C20
PLANFORM:	Single-storey windowless range of former farm buildings facing street with central brick archway to yard and C20 two-storey house
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Mixed brick; arch widened and restored, buttress to east side
ROOFING MATERIALS:	Machine-made tiles, steep-pitched
ROOF FORM:	Gable-ended. No chimneys to front range, single chimney to east gable end of house.
OTHER FEATURES/INFORMATION:	
CONDITION:	Good
NOTES:	

The Paddocks, 12 High Street

HOUSE NO/NAME:	12
STREET:	High Street
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	Dated '178?' in blue bricks on west gable, altered and extended C20
PLANFORM:	Two bays of two storeys, symmetrical with central doorway. C20 extension and wooden 'chalet' building to rear
STYLE:	Vernacular ('Georgian')
BUILDING/CLADDING MATERIALS:	Blue brick with red-brick detailing, string course and quoins; blind panel above entrance door outlined in red brick
ROOFING MATERIALS:	Natural slate, steep-pitched
ROOF FORM:	Gable-ended, with two chimneys et gable ends
OTHER FEATURES/INFORMATION:	C19 wooden sash windows with two small C19 canted bays to each side of door. Altered brickwork indicates that four-panel door and plain doorcase with narrow hood on brackets is replacement.
CONDITION:	Good
NOTES:	Listed Grade 2 (number1213360).

See next sheet for Singleborough Road >>

The Cottage, Singleborough Road

HOUSE NO/NAME:	The Cottage
STREET:	Singleborough Road
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Formerly 3 cottages
PERIOD:	C17, altered
PLANFORM:	Three bays of 1.5 storeys, with outbuilding.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	End bays timber frame with brick infill, centre bay in red brick. Plinth includes some rubblestone. Outbuilding weatherboarded.
