***County Museum
Church Street
Aylesbury
Bucks HP20 2QP***

Dear New Member,

Thank you for joining the Buckinghamshire Archaeological Society, and may I take this opportunity to welcome you. If you would prefer to pay your annual subscription by Bankers Order then please complete the enclosed form and return it to our Treasurer at the above address. The Society publishes two newsletters a year, in the Spring and Autumn and, of course, our Journal ***Records of Bucks*** which is published in May each year. There is a searchable index of ***Records*** on our website. The newsletters give details of talks, outings and conferences, and members are sent copies of these as part of their subscription.

We are currently giving away FREE past volumes of Records of Bucks to make room in our store. If you are interested in obtaining any please contact the library as soon as possible, since all remaining copies will be disposed of within the next few weeks. This will be your only chance to own a near-complete run of the leading journal on the county's history and archaeology.

The Society has its own Library and Archives in the County Museum and members are welcome to use these for research. The Library is open by appointment when our librarian Mrs Marian Miller will be there to help with enquiries. Please ring or email to make an appointment so that we can prepare for your visit. We also welcome enquiries by post and email.

The Society also publishes books and papers, details of which are enclosed. You can find more information about the Society and its activities on our website. If you are interested in joining our Active Archaeology Group, Building Group or HS2 research team please contact the library.

If you have any questions do not hesitate to contact me. I hope you will find the Society a worthwhile and stimulating organisation to belong to.

Yours sincerely,

**Bronwen Lee
Membership Secretary**
