## Why would you join the Archaeological Society?

Because we're not just about archaeology.

The society focuses on all aspects of Buckinghamshire's local history and works to protect all aspects of our heritage and historic environment. That includes not only archaeology, but also the history of the natural environment, ancient churches and historic buildings, family history – indeed all aspects of Buckinghamshire's past.

And we're just as concerned about the present: for the past two years our members have been active in assessing the impact that the HS2 high-speed rail line will have on the county's historic buildings and landscapes.

Here are some of the **benefits of Membership:**

### FOR YOU:

- A copy of the Society's journal, *Records of Buckinghamshire*, in May every year.

- Access to the Society's Library and Archives and support for research into all aspects of local history and archaeology.
- A free lecture series in Aylesbury every Winter.
- Outings to historic buildings and archaeological sites in Summer.
